

Nabucco`s Cape Paperu & Spa

The ideal Resort for Divers, Snorkels, Honeymooners and Nature-lover

Dreams come true!

Imagine an exotic island, a wild landscape with a large cliff ending in a small white sandy beach. Relaxing under mature shady trees, many of one hundred years old, countless coconut palms and surrounded by tropical gardens. Cape Paperu Resort & Spa in its simplicity is the perfect resort for your holidays.

Locations

Located in Central Maluku, there where the pepper grows and the time almost stands still, is the charming Resort according to ecological principles in the beautiful landscape of the bay of the Island Saparua. The Resort is 45 minutes by car from Ambon Airport and one hour by boat directly to its private beach.

The Management

The Suisse Couple, Eliane and Kurt Gross, keen and experienced divers, with a strong love for the environment and for the local people. They are committed in protecting the local reefs and involved in development projects aimed at creating the right condition for the development of a healthy Sustainable Tourism of Saparua.
